TECHNICAL DATA**

**WEX-PRO #2
NEUTRAL CLEANER**

1:128 Use Dilution

APPEARANCE: TRANSPARENT YELLOW LIQUID

ODOR:LIGHT LEMON

NON-VOLATILE MATERIAL:11.2% ± 0.2

DETERGENT TYPE:SYNTHETIC-BIODEGRADABLE

SPECIFIC GRAVITY: 1.0083

FLASH POINT:ABOVE BOILING

pH of CONCENTRATE:7

PHOSPHATE CONTENT:NONE

FREE ALKALI:NONE

FREE FATTY ACID:NONE

WEX-PRO SYSTEM

2

NEUTRAL CLEANER CONCENTRATE ALL PURPOSE - CONTROLLED SUDSING - BIODEGRADABLE

WEX-PRO #2, NEUTRAL CLEANER CONCENTRATE

Is a highly concentrated liquid cleaner designed for all types of floor, wall, and equipment cleaning.

DIRECTIONS FOR USE

AUTOMATIC FLOOR SCRUBBERS:

Use WEX-PRO #2, Neutral Cleaner Concentrate (1 ounce is dispensed into each gallon of water) for cleaning vinyl, vinyl asbestos, asphalt, rubber and other resilient floors. WEX-PRO #2 also works excellently on terrazzo, ceramic tiles, concrete and other hard surfaces.

PRESSURE WASHERS and SPRAY CLEANERS:

Use WEX-PRO #2, Neutral Cleaner Concentrate in both low and high pressure washers. The low viscosity makes it particularly well suited or siphon type, manual and automatic spray washing equipment.

FLOOR MOPPING and MANUAL CLEANING:

Use WEX-PRO #2, Neutral Cleaner Concentrate for all mopping, damp mopping and manual cleaning. Because WEX-PRO #2 is a Neutral Cleaner Concentrate, it is free of harmful alkalies, acids and abrasives. Therefore, it can be used on all surfaces and is very mild to the skin.
